

ASSEMBLY BILL

No. 538

Introduced by Assembly Member Calderon

February 18, 2003

An act to amend Section 65048 of the Government Code, relating to state planning.

LEGISLATIVE COUNSEL'S DIGEST

AB 538, as introduced, Calderon. State Environmental Goals and Policy Report.

Existing law requires the Governor to prepare and cause to be maintained, regularly reviewed, and revised a comprehensive State Environmental Goals and Policy Report and to transmit the report to the Legislature every 4 years. In the preparation of the report, priority is to be given to the development of statewide land use policy.

This bill would make technical, nonsubstantive changes to these provisions.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

The people of the State of California do enact as follows:
